

Testimonials

"The advice and insights so skillfully presented by Shoya Zichy will help and inspire both employers and employees alike."

Arthur E. Ryan, past Chairman and Chief Executive Officer, The Prudential Insurance Company

"What a find! Zichy has made personality typing easy to use in daily interactions with peers, bosses and subordinates."

E. Woodbury, President, Chapel Hill Press

"Finally we are working together as a team! You have accomplished in one day what we have not been able to do in two years."

M. Ahearn, Director of Operations, Standard & Poor's

"The Color Q Phenomenon is sweeping through our organization!"

S. Webb, Senior Vice President, ABN Bank

"Through your dynamic presentation and fun exercises, you were able to draw out a normally very reserved group of military men."

"Remarkable" was the unanimous feedback!"

Joyce de Moose, Director, Hope for Warriors

"A terrific upbeat presentation! Feedback from the attendees shows everyone found it to be highly informative and rewarding."

Glenn Perry, Senior Vice President, Northern Trust Bank

"My new business increased by at least 60%."

VP, JP Morgan Chase

"The event was a great success. I received an unprecedented number of emails afterwards describing it as an 'Ah Ha' moment. Shoya's presentation is informative, enlightening and fun. It is a must for anyone who wants to build stronger and better business, social, and personal relationships."

Kimberlee Halligan, Barnard Business and Professional Women Board Member

"A fun and practical approach to identifying and improving leadership style. It has become an amazing resource for understanding others."

Mary Lou Giustini, Managing Director, Merrill Lynch

"Useful, fun and highly informative! Everyone was talking about the seminar long after it was over."

Ron Stapleton, Director, Shell Oil

"It has been a week since we had the workshop and I cannot stop talking about it with every person I know—my friends, family, even professors. I am able to fit every little bit of detail about me and my personality into the bigger picture. It is so rewarding to be able to explain why we are the way we are, and like to do things a certain way."

Aiola Tuf, Student, Baruch College
